**Service order:**- CLEANING      **Yes**- REPAIR      **Yes / No**(We always provide  
cleaning service when  
repair is needed)**Service conditions:**

In accordance with § 653 par. 2 Zák. 40/1964 Coll. Of the Civil Code, as amended, the Customer acknowledges that the Sir Joseph Company is not liable for defects and damages arising from previous use, product wear, inappropriate actions, repair, or cleaning carried out by the customer or other company.

Only clean products can be accepted for repair service. Sir Joseph can carry out the cleaning of normally polluted products. Customer will be contacted if it is necessary to clean his products before it is repaired.

Sir Joseph reserves the right not to accept products for cleaning or repair.

Sir Joseph will undertake the professional handling of cleaning and repair work in relation to manufactured product and its usage. Unless a different scope of work has been agreed upon in writing, the repair work covers the performance of services that are identified as necessary (a) on the basis of the details provided by customer, (b) on the basis of examination of the products to be repaired.

The repair costs are estimated on the basis of information provided by the customer and are not guaranteed. If there is more work or material needed, Sir Joseph is authorised to complete the work without seeking customer confirmation in case the repair costs will not rise more than 20%. Otherwise customer is contacted with new cost estimation to be accepted.

Final remuneration for the cleaning and repair work is calculated individually on the basis of service worktime and material needed. Shipping costs and Value-added tax is charged too.

Cleaned and/or repaired products are shipped immediately after customer pays the final invoice.

**Description of all damage:****Please specify which damage do you want to repair:**

Please empty the pockets and check there is nothing to obstruct cleaning or repair of your products.
